Camp Harvest is a great time for our families to spend a weekend together building community, deepening our unity in Christ with each other, and an intentional time of having lots of FUN together!

The **FACILITIES** are VERY nice with comfortable beds, good food, and tons of outdoor fun! Most of the camp is set **up "dorm style" with gender specific bunkbed-filled rooms**, but there are **a few family rooms that you can reserve for an extra fee**. Being that Williams is not that far away, there have been a few people over the years that come for the weekend but drive back home to sleep in their own beds. That is perfectly acceptable too, (though there is no discount in price if you choose to sleep elsewhere). **BOTTOM LINE: WE WANT YOU THERE!**

Get it on your calendar, start saving, and plan on having an amazing time as the church comes together for this special weekend!
